

School-Home Letter

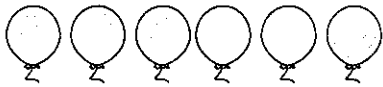

Dear Family,

My class started Chapter 3 this week. In this chapter, I will learn how to show, count, and write numbers 6 to 9.

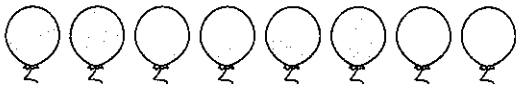

Love, The Kindergarten Teachers

Vocabulary

six one more than five

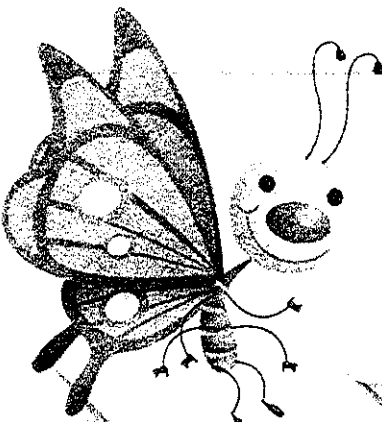

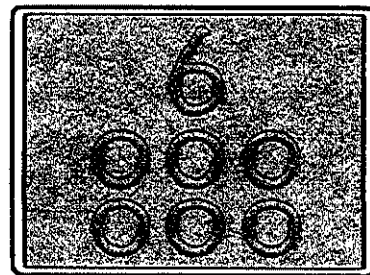

eight one more than seven

Home Activity

Pour salt or sand into a cookie sheet or baking dish. Pick a number from 6 to 9 and have your child draw the number in the salt or sand. Then ask your child to draw circles to match that number. Shake to erase and begin again!

Literature

Look for this book in the library. You and your child will enjoy this fun story that provides reinforcement of counting concepts.
