Dear Parents/Guardians,

I cannot stress enough the importance of reading at home!

In addition to your child's nightly homework, I have attached a reading log. Please log any book your child reads at home (including of course, the ones you read to him/her. Include the date, title of the book and your initials. Also have your child color the face that shows how they felt about the book.

I liked it a lot! 

I liked it a little! 

I did not like it at all! 

For each book read, I will give your child a star. For each log completed your child will receive a special prize from ME!! 

As always, if you have any questions or concerns, please do communicate them to me.
