

**P.S./I.S.187
Hudson Cliffs School**

From the desk of Cynthia Chory...

Dear Parents and Guardians,

As a reminder, this May, our community will celebrate 187's 90th anniversary. It's amazing to think that our school has been part of the educational tapestry here in the neighborhood for so many years!

In preparation for our anniversary celebration, we are asking for students from past and present to share their memories with us. If you have pictures, videos, music, or just a kind word you would like to have included in the festivities, please send them to 90thcelebration@187hudsoncliffs.org and we all look forward to seeing the community come out to usher in another 90 years in this beautiful building.

As a reminder, here's a glimpse of what you can expect in the coming months:

- * 90th Celebration: 5/16
- * 8th-Grade Graduation: 6/20

Thank you,

Cynthia Chory
