Dear Parents,

Working together as a team is the key to a positive educational experience for our children in the 2019-2020 school year. In order to get our students off to a good start, and to keep them organized during the school year, we are providing you with a list of required supplies. As students may take a few days to bring in all supplies, it would be helpful if students had a notebook or paper in a folder and a pencil/pen for the first day of school.
